

## Dates for Charitable Funds Committee Grant Decision Panel (CFCGDP) Meetings 2025

All of the following require Charitable Funds Committee (CFC) approval:

- Applications that have a combined total expenditure of £5,000 or more
- Applications under £5,000 that include: unusual or novel expenditure requests; overseas training requests including conferences and seminars requiring the attendance of participants outside the UK; higher award and academic studies between £1,500 and £5,000; research & development expenditure; pay expenditure; requests of any nature resulting in ongoing charitable funds commitment

*All capital requests over £5,000 must have Capital Investment Group and Executive Team approval, and all other requests that require Charitable Funds Committee approval must have an Executive Sponsor's approval. In addition, all overseas training, higher award and academic studies requests must be reviewed through the Training and Education applications scoring matrix and approved by the Head of Research and Development or a BCUHB representative from Medical Education / relevant education field prior to being considered by the CFC. A list of the necessary approvals required can be found on page 7 here: [Your charity procedures - June 2024](#).*
