

## OUR ENABLERS

<b><i>Enabler</i></b>	<b><i>Description</i></b>
<b><i>Locality Cluster Plans</i></b>	Plans developed at locality level based on locality needs assessments. Plans respond to the fact that the primary care and community services meet the vast majority of health and care needs in local communities.
<b><i>National Programmes</i></b>	Established by Welsh Government to provide central direction and support for local service transformation. Programmes enable a national focus on the investigation of systemic service challenges, development of solutions at scale, support to service transformation and provide assurance of equity of service offer across Wales.
<b><i>Social Services and Well-being Act (Wales) 2014</i></b>	The Act imposes duties on local authorities, health boards and Welsh Ministers that require them to work to promote the well-being of those who need care and support, or carers who need support.
<b><i>BCUHB Quality Improvement Strategy</i></b>	Our strategy to deliver safe, effective compassionate care as evidenced by improved outcomes and patient experience.
<b><i>BCUHB Our Digital Future: Digital road map for health in North Wales 2022/24</i></b>	The strategy seeks to enable patients and carers to use digital methods to manage their care and to support staff to get the most out of the technology available to improve the services they provide.
<b><i>Stronger Together / Mewn Undod Mae Nerth</i></b>	A BCUHB programme which following extensive staff engagement and co-design resulted in the development of our new Operating Model, designed to ensure our structure is clear, transparent and support effective working.
<b><i>BCUHB People Strategy and Plan 2022/2025</i></b>	In development and will support implementation of Stronger Together / Mewn Undod Mae Nerth. Critical to the success of the Clinical Services Strategy as it recognises and seeks to address the culture changes need to transform and improve services.
<b><i>BCUHB Financial Plan 2022/25</i></b>	Our detailed three financial plan aligned to the IMTP and key to facilitating the transformation and improvement required to realise our vision for Clinical Services
<b><i>Estates Strategy, 2019</i></b>	BCUHB has one of the largest property portfolios in Wales. Our Estates Strategy details the estate we have available to us and how we intend to use it in the future.
<b><i>Together for Mental Health - A Strategy for</i></b>	Welsh Government's age inclusive, cross-Government Strategy for mental health and well-being, will be key to

<b><i>Mental Health and Well-being in Wales, 2012</i></b>	providing holistic patient centred care, improved outcome and service user experience.
<b><i>Welsh Health Specialised Services Committee (WHSSC) Integrated Commissioning Plan (ICP) 2022/2025</i></b>	WHSSC commission a defined range of specialist services on behalf of all Health Boards. The ICP details plans for the year ahead, work plan for the subsequent 2 years, and is important in supporting the development of end-to-end pathways of care
<b><i>Mid Wales Joint Committee for Health and Care Strategic Intent</i></b>	A strategic plan developed in partnership with colleagues from Powys Teaching Health Board and Hywel Dda University Health Board, which describes how we will work collaboratively to meet the health needs of the mid Wales population.
<b><i>More than just words, 2012</i></b>	Welsh Government's strategic framework for Welsh language services in health, social services and social care in Wales
<b><i>BCUHB Strategic Equality and Human Rights Plan, 2020/2024</i></b>	A framework to help us ensure full consideration of equality within our organisation and to influence decision-making at all levels across the Health Board.
<b><i>NHS Wales Decarbonisation Strategic Delivery Plan, 2021/2030</i></b>	Welsh Government's plan for NHS Wales' contribution to tackling climate change. An important consideration in terms of the Well-being of Future Generations.
<b><i>Research, Innovation and Improvement Coordination Hub, North Wales Collaborative</i></b>	The hub promotes and co-ordinates joint health, social care and third sector research, innovation and improvement activity across north Wales.
<b><i>Public Sector Duty</i></b>	As well as improving health and delivering clinical and care services, the Health Board has a wider public sector duty to support national policy, for example in respect of matters such as promoting equality and human rights, the environment, sustainable development, the Welsh Language and in moving forward socio-economically disadvantaged groups.
