

KEY PRIORITIES

Domain	Key Priority reference number	Key Priority as agreed with Welsh Government
CAMHS & Adult Mental Health	KP1	Engage and communicate internally within the divisions, and with partners and stakeholders on the Maturity Matrix approach (CAMHS and Adult MH)
	KP2	Progress the joint working between CAMHS and Adult MH, with a focus on financial allocations and the transition pathway (CAMHS and Adult MH)
	KP3	Establish the improvement and development group to support the CAMHS programme delivery (CAMHS)
	KP4	Review the MHL D leadership structure, with leads identified to support the key delivery areas (Adult MH)
	KP5	Progress the crisis concordat activity to support our clinical pathway focus (Adult MH)
Strategy, Planning & Performance	KP6	Starting the refresh of Living Healthier Staying Well
	KP7	Using the refresh as the basis for our Clinical Services Strategy implementation plan
	KP8	Develop a revised planning process to allow for a draft approvable IMTP to be agreed for 2022-25
	KP9	Implement and embed the Performance and Accountability Framework including regular reviews, appropriate escalation, and revised performance reporting

Leadership	KP10	Ensuring executive, senior leadership and partner ownership and engagement in the delivery of Discovery phase of Mwen Undod mae Nerth / Stronger Together
	KP11	Aligning the Board Development programme with Mewn Undod mae Nerth delivered by the King's Fund with additional support from the Good Governance
	KP12	Reviewing clinical leadership support structures and resources to improve multi professional clinical engagement
	KP13	Mobilising additional capacity and capability to support transformation, organisational and system development, engagement and governance
Engagement	KP14	Undertaking a stakeholder mapping exercise and develop a relationship management approach to relevant stakeholders in the domains of patient, partners, staff and public
	KP15	Consolidate a team for engagement across the four engagement domains, drawing from best practice
	KP16	Use the development of key strategies (i.e. Living Healthier, Staying Well and Clinical Services Strategy) as a PDSA exercise to improve engagement process and outcomes
	KP17	Develop an engagement process to encourage openness, transparency and trust with our citizens
