Dear

**Freedom of Information Act 2000**

I can confirm that the information requested is held by Betsi Cadwaladr University Health Board (BCUHB). I have enclosed copies of the information that is being released to you.

**Your request:**

**Please provide the average cost per patient for GP practices managed by BCUHB. Please note, the cost per patient is typically referred to as the "Global Sum per registered patient."**

**Our response:**

Please refer to the table below which includes the average cost per patient for Health Board Managed GP Practices for the financial year 2022/23, broken down by dispensing/non-dispensing practices.

Due to the way our information is recorded, these averages include not just the Global Sum component, but also other components, such as GMS element, QIF, Access, Enhanced Services etc.

Please note, a specific exercise would have to be carried out in order to collect the same data for 2023/24 as this is not currently recorded. This exercise would exceed the appropriate cost limit under section 12 of the Freedom of Information Act 2000.

Type of GP Practice	Dispensing	Non-Dispensing
<b>Average Cost Per Patient</b>	£251.88	£197.74

Should you be dissatisfied with the information provided for any reason you do have a right to complain to the Health Board and ask for your request to be reviewed. Should

you wish to register a complaint please contact the Information Governance Department at the following address:

Information Governance Department  
IM&T Building  
Wrexham Maelor Hospital
