## School Tie (Right Handed)

1. Start with the collar turned up

2. Put the tie around your neck, wide side to the right and narrow side (shorter) to the left

3. Hold the narrow end with your left hand and keep holding until step 11

4. Cross the wide end over the top of the narrow end so it is now on the left side

5. Reach behind the narrow end with the right hand

6. Pull the wide end behind so it is now on the right side

7. Cross the wide end over the top of the narrow end again so it is now on the left side

8. Reach behind the narrow end with the right hand again but this time pull the wide end towards your neck

9. Put the wide end up through the neck opening

10. Pull the wide end through the opening

11. Put 2 fingers of your left hand up through the knot so it is loose

12. Put the wide end of the tie through the opening between your fingers

13. Pull the wide end through

14. Hold the narrow end with your left hand

15. Hold the knot in your right hand

16. Pull down with the left and wiggly the knot up with your right

17. Adjust so it is central and neat

18. Put your collar down and check in the mirror
